

## More Freight on the Largest Spot Marketplace

Use the industry's largest and most trusted marketplace for 68 million loads and trucks a year. TransCore<sup>®</sup> DAT<sup>®</sup> Load Boards have the smartest set of business tools that help you make the most informed decisions.

### DAT Load Boards: the original truck stop load boards

Of the 68 million loads and trucks annually, 45 million are found on DAT first, or nowhere else. Brokers pay faster and carriers are monitored daily for insurance, authority and safety ratings. We are the largest and the most trusted load board with more loads and trucks than anywhere else.

### High speed searching and posting, with smart tools

DAT Load Boards are professional grade, high performance products that individuals, teams, agents or groups can use. These tools help you search more efficiently:

- Hot Market Maps. Interactive maps show lane rate information, load-to-truck ratios and more, by equipment type
- Brokers get access to CSA data with integrated carrier monitoring
- Rate Index. Get visibility into rates that shippers and brokers pay carriers. Choose from contract and spot market lane rates or get both

Smart tools help you run your business more profitably:

- Active, Smart and Corridor Search let you get instant updates, expand your search parameters, look for full or partial loads in a lane or focus on specific lanes
- Alarm Match gets you instant results
- LaneMakers finds the companies that work specific lanes so you make smart partnering decisions
- DAT Directory gives you information on more than 500,000 transportation companies and their credentials
- DAT Assurance Program provides assistance in getting payments collected
- Factoring gets you the cash from your invoices quickly
- Free mobile access from virtually any smart phone

SMART tools help you run your business smarter.
